PLAN SUMMARY

Northwind Mutual Health — Bronze HDHP 7000

Plan Number: NWM-BRZ-HSA-7000

Effective Date: 01/01/2026

Expiration Date: 12/31/2026

Northwind Mutual Health is a fictional insurer used for demonstration purposes only. This summary does not describe a real policy.

This is a high-deductible health plan (HDHP) that is eligible for use with a Health Savings Account (HSA). Except for preventive care, you pay the full allowed amount for covered services until you meet the deductible.

WHAT YOU PAY

Deductible: $7,000 individual / $14,000 family (embedded) per calendar year, in-network and out-of-network combined.

Out-of-Pocket Maximum: $8,050 individual / $16,100 family per calendar year.

Coinsurance: After the deductible, the plan pays 100% in-network and 70% out-of-network.

Preventive care: $0, deductible does not apply.

Office visits, urgent care, and emergency room: full allowed amount until the deductible is met, then $0.

Prescription drugs: full discounted price until the deductible is met, then $0 for generics and 20% for brand-name drugs.

BENEFITS AT A GLANCE

Primary and specialist care, including telehealth, are covered after the deductible. No referrals are needed.

Emergency services are covered at the in-network level after the deductible, whether or not the hospital is in-network.

Diagnostic tests, lab work, and imaging including MRI and CT are covered after the deductible.

Outpatient rehabilitation (physical, occupational, speech therapy) is covered after the deductible for up to 30 visits per calendar year.

Mental health and substance use disorder services are covered after the deductible on the same terms as medical services.

Chiropractic care is covered after the deductible, limited to 12 visits per calendar year.
