Harborview Health Partners

Gold EPO 1000 — Member Benefit Booklet 2026

Group Number: HHP-EPO-1000-2026

Plan year: January 1, 2026 through December 31, 2026

Harborview Health Partners is a fictional insurer used for testing. This booklet does not describe a real policy.

Part A — Your Costs

Annual deductible: $1,000 per person, $2,000 per family. The deductible is embedded: once one person meets the individual deductible, the plan begins paying for that person even if the family deductible has not been met.

Out-of-pocket maximum: $4,500 per person, $9,000 per family.

Coinsurance after the deductible: you pay 10%.

Service	You pay
Primary care office visit	$20 copay, deductible waived
Specialist office visit	$45 copay, deductible waived
Telehealth visit	$0
Urgent care center	$50 copay
Emergency room	$250 copay, waived if admitted
Mental health office visit	$20 copay, deductible waived

Part B — Using the Network

This is an exclusive provider organization (EPO) plan. Services from providers outside the Harborview network are not covered, except emergency care and urgent care when you are traveling outside the service area.

You do not need a referral to see a network specialist.

Part C — Prior Approval

Prior approval from Harborview is required before you receive:

• Inpatient hospital admissions (emergency admissions must be reported within 48 hours)

• MRI, CT and PET scans

• Sleep studies

• Durable medical equipment costing more than $500

• Home health care

Harborview decides standard prior approval requests within 15 calendar days and urgent requests within 72 hours. Without prior approval, the claim may be denied.

Part D — What Is Covered

Preventive care, including annual physicals and immunizations, is covered at no cost.

Physical, occupational and speech therapy: up to 25 visits per condition per calendar year.

Chiropractic care: up to 15 visits per calendar year.

Prescription drugs: Tier 1 $10, Tier 2 $35, Tier 3 $70, specialty drugs 30% up to $250 per fill.

Maternity care: prenatal visits covered at no cost; hospital delivery at 10% after the deductible.

Part E — What Is Not Covered

• Cosmetic surgery and procedures

• Bariatric (weight-loss) surgery

• In vitro fertilization

• Custodial care

• Hearing aids for adults

• Services from out-of-network providers, except as described in Part B

Part F — Appeals

You may appeal a denied claim or prior approval decision within 180 days. Urgent appeals are decided within 72 hours.
