How much will I pay?

Most services cost you nothing. There is no monthly premium and no deductible.

Prescription drugs: $1 for generic drugs and $3 for brand-name drugs.

Emergency room visits that are not emergencies: $8.

Children under 19 and pregnant members pay $0 for everything.

What does my plan cover?

Doctor visits, including visits to specialists your primary care provider sends you to.

Check-ups, shots, and screenings for adults and children.

Hospital care and emergency care, 24 hours a day.

Lab tests and X-rays. MRIs and CT scans are covered when your doctor gets approval first.

Pregnancy care, delivery, and care after your baby is born.

Mental health and substance use care, including counseling.

Dental care for members under 21, and emergency dental care for adults.

Eye exams and glasses once a year for members under 21.

Rides to medical appointments at no cost. Call Member Services at least 2 days ahead.

Do I need a referral?

Yes, for most specialists. Ask your primary care provider (PCP) for a referral. You do not need a referral for family planning, women's health care, behavioral health, or emergencies.

When do I need approval first?

Your doctor must ask us for approval (prior authorization) before you get:

• MRI, CT, and PET scans

• Planned surgery and hospital stays

• Home health care

• Medical equipment such as wheelchairs and hospital beds

• Some medicines (see the Preferred Drug List)

We decide most requests within 14 days, or within 72 hours if waiting could hurt your health.

What is not covered?

• Cosmetic surgery

• Fertility treatment

• Experimental treatments

• Services from providers who do not accept Medicaid

• Adult routine dental cleanings

What if I disagree with a decision?

You can ask for an appeal within 60 days of the date on the notice. We will decide within 30 days, or 72 hours for urgent cases. If you still disagree, you can ask for a State Fair Hearing within 120 days of our appeal decision.
