Urgent Care Visit: $75 copay (no deductible)

Emergency Room Visit: $250 copay (waived if admitted)

Telehealth Visit: $15 copay (no deductible)

Out-of-network copayments are 50% higher than listed amounts, and the deductible applies before copayment.

COVERED SERVICES

The following services are covered under this plan:

PREVENTIVE CARE: Covered at 100% in-network with no deductible or copay. Includes annual wellness exams, immunizations per CDC schedule, cancer screenings (mammogram, colonoscopy, Pap test), cholesterol and blood pressure screening, and prenatal care visits.

INPATIENT HOSPITAL SERVICES: Covered at 80% after deductible for in-network facilities. Includes room and board, surgical services, anesthesia, laboratory, imaging, and medically necessary supplies. Prior authorization is required for all non-emergency inpatient admissions.

OUTPATIENT SURGERY: Covered at 80% after deductible in-network. Prior authorization required for procedures with total expected charges exceeding $2,000.

DIAGNOSTIC IMAGING: X-rays covered at 80% after deductible. Advanced imaging (MRI, CT, PET scan) requires prior authorization and is covered at 80% after deductible in-network.

LABORATORY SERVICES: Routine lab work covered at 90% after deductible in-network. Genetic testing requires prior authorization.

MENTAL HEALTH AND SUBSTANCE USE DISORDER: Outpatient mental health visits have a $40 copay. Inpatient mental health and substance use treatment covered at 80% after deductible. Prior authorization required for residential treatment programs and inpatient stays exceeding 7 days.

REHABILITATION SERVICES: Physical therapy, occupational therapy, and speech therapy covered at 80% after deductible, limited to 30 visits per therapy type per calendar year. Prior authorization required after 12 visits.

DURABLE MEDICAL EQUIPMENT (DME): Covered at 80% after deductible. Prior authorization required for items exceeding $500 in cost. Rental preferred over purchase when appropriate.

HOME HEALTH CARE: Covered at 80% after deductible, limited to 60 visits per calendar year. Must be ordered by the treating physician. Prior authorization required.

SKILLED NURSING FACILITY: Covered at 80% after deductible, limited to 60 days per calendar year. Requires prior authorization. Must follow a qualifying inpatient hospital stay of at least 3 days.

HOSPICE CARE: Covered at 100% in-network. No deductible or copay. Requires physician certification of terminal illness with life expectancy of 6 months or less.

MATERNITY AND NEWBORN CARE: Prenatal visits covered under preventive care. Delivery and postnatal care covered at 80% after deductible. Newborn care covered from birth.

PRESCRIPTION DRUG COVERAGE

Prescription drugs are covered through the Apex Health Pharmacy Benefit. Formulary tiers:

Tier 1 (Generic): $10 copay

Tier 2 (Preferred Brand): $35 copay

Tier 3 (Non-Preferred Brand): $70 copay

Tier 4 (Specialty): 25% coinsurance, maximum $250 per fill

Mail-order prescriptions (90-day supply): 2.5x retail copay

Prior authorization required for Tier 4 specialty medications and select Tier 3 medications. Step therapy may apply.

Annual prescription drug out-of-pocket maximum: $2,500 individual / $5,000 family (separate from medical out-of-pocket maximum).

PRIOR AUTHORIZATION REQUIREMENTS

The following services require prior authorization before treatment. Failure to obtain prior authorization may result in denial of the claim or reduced benefits (50% penalty).

Services Requiring Prior Authorization:

• All non-emergency inpatient hospital admissions

• Outpatient surgery with expected charges exceeding $2,000

• Advanced diagnostic imaging (MRI, CT scan, PET scan)

• Genetic testing

• Physical, occupational, or speech therapy after 12 visits

• Durable medical equipment exceeding $500

• Home health care services

• Skilled nursing facility care

• Residential mental health or substance use treatment

• Inpatient mental health stays exceeding 7 days

• Tier 4 specialty medications

• Select Tier 3 medications (see formulary)

• Transplant services

• Bariatric surgery

Prior Authorization Process:

The ordering provider must submit the authorization request with the following documentation:

1. Completed Prior Authorization Request Form (Form PA-100)
2. Clinical notes supporting medical necessity
3. CPT/HCPCS procedure code(s)
4. ICD-10 diagnosis code(s)
5. Provider NPI number
6. Letter of Medical Necessity (for complex cases)

Authorization decisions are made within 5 business days for standard requests and 72 hours for urgent requests. A peer-to-peer review with the plan medical director may be requested if the initial authorization is denied.

Emergency Admissions: Prior authorization is not required for emergency admissions. However, notification must be provided within 48 hours of the admission.

EXCLUSIONS AND LIMITATIONS

The following services are NOT covered under this plan:

• Cosmetic surgery or procedures (unless medically necessary due to injury, disease, or congenital defect)

• Experimental or investigational treatments not approved by FDA

• Long-term custodial care

• Services received outside the United States (except emergency)

• Weight loss programs and supplements (unless part of approved bariatric surgery program)

• Acupuncture, naturopathy, and homeopathy

• Dental services (covered under separate dental plan)

• Routine vision care (covered under separate vision plan)

• Hearing aids for adults over age 18

• Private duty nursing

• Non-emergency ambulance transportation

• Reversal of elective sterilization

NETWORK PROVISIONS

IN-NETWORK PROVIDERS: Members receive the highest level of benefits when using in-network providers. In-network providers have agreed to negotiated rates and will not balance-bill members.

OUT-OF-NETWORK PROVIDERS: Members may use out-of-network providers at higher cost-sharing levels. Out-of-network providers may balance-bill for charges exceeding the plan's allowed amount.

REFERRAL REQUIREMENTS: This PPO plan does not require referrals to see in-network specialists. However, the plan recommends coordination through a primary care provider for optimal care.

EMERGENCY SERVICES: Emergency services are covered at in-network rates regardless of whether the provider is in-network or out-of-network, per the No Surprises Act.

APPEALS AND GRIEVANCES

Members have the right to appeal any adverse benefit determination. Appeals must be filed within 180 days of receiving the denial notice.

Internal Appeal: Reviewed by a physician not involved in the original decision. Decision within 30 days (72 hours for urgent).

External Review: If internal appeal is denied, members may request an independent external review within 4 months.

Grievances: Non-coverage complaints may be filed at any time and will be acknowledged within 5 business days.

COORDINATION OF BENEFITS

When a member is covered by more than one health plan, this plan coordinates benefits with the other plan(s) to prevent duplicate payment. The Birthday Rule determines primary/secondary status for dependent children.

DEFINITIONS

Allowed Amount: The maximum amount the plan will pay for a covered service based on negotiated rates or usual and customary charges.

Balance Billing: When an out-of-network provider bills the member for the difference between their charge and the plan's allowed amount.

Coinsurance: The percentage of costs a member pays after the deductible has been met.

Copayment: A fixed dollar amount a member pays for a covered service at the time of service.

Deductible: The amount a member pays for covered services before the plan begins to pay.

Medical Necessity: Services that are clinically appropriate in terms of type, frequency, extent, and duration, and considered effective for the patient's illness, injury, or disease.

Out-of-Pocket Maximum: The most a member pays during a plan year before the plan begins to pay 100% of covered services.

Prior Authorization: Approval required from the plan before receiving certain services to confirm medical necessity and coverage eligibility.
